Dated 7th March 1952.

To

The firms dealing in Gun Powder.

Enquiry No. 10903.

Subject:—Gun Powder required during the year 1952-53.

Gentlemen,

No. S.P.C. 55202-212. Please be good enough to intimate your best price for the material described below:—

"Good and dry powder for blasting purposes. The composition of the material should be in the proportion of 75 : 10 : 15 by weight of salt petre, sulphur and charcoal respectively, its density being in the neighbourhood of 1·8."

It should be distinctly undsrstood that the acceptance by us of your quotation will be subject to the following conditions:—

1. The quotation should be for one pound of material delivered free on rails at any Railway Station in the State, and should be firm for one year during which period the materials will be drawn on indents in such quantities as may be required from time to time; the indent being complied within a fortnight from the date of receipt.

2. In case of doubt as to whether the supply confirms to the specification, the Stores Purchase Committee reserve the right to draw samples from supply and get them tested at the Government Industrial and Testing Laboratory, Bangalore. The cost of such tests should be borne by you.

3. The contract will be deemed to be limited to the quantities to be actually drawn by the Departments.

4. Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specification will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order, as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

5. In case your quotation is accepted by the Committee you should arrange to enter into an agreement and deposit a sum of Rupees Fifty (Rs. 50) only as security for the due fulfilment of the contract within two weeks from the date of the receipt of our order failing which the order will be cancelled.

6. The successful contractor should bind himself to pack the material before despatch according to Schedule I of Red Tariff No. 15. The outer and inner packages being as defined in Clause (1) of the Schedule.

The quotation should be superscribed "Quotations for Gun Powder" and sent to the undersigned, with the above enquiry number.

This enquiry will be closed on the 31st March 1952.
